

To all Connecticut legislators,

For any free people in a democratic republic to remain free, there MUST be the confidence of FAIR, ACCURATE, and SECURE ELECTIONS! These two bills will do the opposite and destroy any democracy! You win elections by having a better message than your opponent, not by theft in the middle of the night or mass mailings of absentee ballots!

Do the RIGHT THING, save our democratic form of governance, and VOTE NO.

Richard and Sandra Mayhew  
Plantsville, Ct.
